

**Please Help Save Reginald Blanton**  
**EXECUTION DATE 27TH OCTOBER 2009**

Reginald was tried and convicted of a murder he did not commit

The Initial suspect could not be found.

The Only two witnesses were forced to sign statements against Reginald, under threats of being charged with the crime.

The shoe print on the victims kicked in apartment door, did not match the ones the Reginald wore the day of the crime.

Prosecutors racially excluded African Americans from serving on his jury.

His appellant Attorney refused to represent his legal interest.

All Reginalds innocence claims were procedurally barred by the courts from ever being heard.
